Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 05 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early heavy rain clearing, becoming brighter. Wet and windy later.

Today:
Early rain, heavy at times, will gradually clear away eastwards during the morning, becoming drier and brighter for a time. Turning cloudier with outbreaks of rain and the winds strengthening by the evening, especially along the coast. Feeling cool. Maximum temperature 13 deg C (55 deg F).

Tonight:
Cloudy with further outbreaks of rain during the evening and overnight. The rain will gradually clear away into the North Sea by dawn. Windy, with coastal gales. Minimum temperature 9 deg C (48 deg F).

Wednesday:
Early cloud and rain along North Sea coastal areas soon clearing to leave a dry day, with sunny spells. Windy at first, gradually easing. Feeling a little warmer than Tuesday. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Largely dry with variable amounts of cloud and bright or sunny spells throughout the outlook period. Some patchy fog during the mornings. Feeling warmer, but turning cooler on Saturday.
